

United Nations

General Assembly

Resolution adopted by the General Assembly on August 12, 2020

Global cease-fire during the COVID-19 pandemic

Sponsors: Ireland, Iran, Afghanistan

Signatories: Germany, Saudi Arabia, South Korea, Switzerland, China

United Nations General Assembly,

Emphasizing that there can be no military solution to the conflict and welcoming ceasefires as positive developments toward reducing the violence,

Welcoming financial funding, human resources help from sovereign funds in order to stop the spreading of COVID-19 pandemic in the developing countries of Central Asia, Africa and Middle East,

Welcoming the efforts proposed by the members of the United Nations General Assembly to enhance the frameworks of the future peacebuilding,

Deeply concerned about the most vulnerable communities who have high potential of being affected by the COVID-19 particularly in armed-conflict zones,

Deeply concerned about critical damage of COVID-19 crisis on the world economics system and critical effect on the society,

Taking into consideration the efforts of United Nations Security Councils that adopted the Resolutions #2532 (2020),

Taking into consideration efforts of the UN Secretary-General, World Health Organization and its World Health Assembly which called upon suspending all existing military conflicts,

Underlining the fact that a sincere action by all the states is needed to tailor a proper response to the social and economic challenges in order to ensure that no state is left behind;

Have agreed as follows:

Solitary among countries in combatting the COVID-19 pandemic

1. *Advises* all the states to communicate all the validated information for a better response against the ongoing pandemic;
2. *Encourages* all the states to extend their helps more than ever to those states who need their holistic help in the face of COVID-19 pandemic;
3. *Establishes* multinational partnerships with multilevel agencies composed of non-governmental and governmental organizations;
4. *Establishes* the Funding, Assessment, analysis and Protection territorial strategic action plans to sponsor humanitarian aid delivery;

Ceasefire in conflicting areas as Syria, Yemen, Libya, Afghanistan

5. *Calls upon* the UN to concentrate on peaceful negotiations between the Taliban and Afghanistan government rather than on military operations: provide a mutually trusted arbiter and opportunities for discussion;

6. *Requests* all the international actors in the case of Afghanistan's ongoing peace talk to fully support the negotiations and try to make the ceasefire happen in both of the sides, the state and Taliban;

7. *Calls upon* religious leaders in order to encourage the parties involved to stop religious wars;

8. *Creates* mechanisms of controlling the UNSC Resolution #2532 (2020);

9. *Requests* redirecting money from aggressor countries to victim countries;

Humanitarian aid delivery

11. *Urges* the coordination of humanitarian aid workers with domestic civil-military terms of establishing peaceful dialogue to promote effective humanitarian aid delivery;

12. *Calls upon* facilitation of humanitarian access and allows evacuations from conflict-affected regions;

13. *Facilitates* the schemes of medicines, medical equipment exporting for pharmaceutical companies;

14. *Distributes* the vaccines following such principles of UN as equality and justice;

15. *Encourages* the countries involved in armed conflicts to start a humanitarian pause (at least 2 months), during which the UN will be able to deliver provisions and evacuate civilians;

16. *Allows* International organizations for humanitarian aids, especially healthcare and shelters, in the conflict areas for needed people.
